YOUR PHOTO IS REQUIRED

Dear New Unit Owner / Resident:

In order to maintain a high standard of security in the building we have a comprehensive security program for all the safety of all residents.

This program includes a digital photo of all residents. Each resident's picture will be assigned to their individual key fob or garage remote.

This allows the Concierge staff to view the resident's photo each and every time you enter the building. In addition the Concierge will be able to confirm that each individual actually resides in the building.

The co-operation of all residents with this program is important and we appreciate your understanding and co-operation. Thank you

Sincerely PRINCIPLE PROPERTY MANAGEMENT As Agent for and on behalf of TSCC 2123
