

**CondoControlCentral**  
The really smart way to run your condo.

# Stay Connected with the CCC Mobile App

Available on iOS & Android

## What is it?

- The CCC Mobile App allows you to access Condo Control Central features directly from your smart phone
- Stay connected even when you're out of the office
- Keep up to date with push notifications

## How does it work?

- Download the app to your smart phone
- Log in with your current Condo Control Central username and password, or register for an account if you don't have one yet
- Once logged in you will have instant access to the Condo Control Central platform
- Owners can access many of our great features such as viewing announcements, opening a service request, booking an amenity, or registering visitor parking
- Property Managers can post announcements, respond to service requests, approve amenity bookings, view unit owner contact details, and more
- These features work just as they would on your desktop!

## Key Benefits

- Instant access to the information you need, even when you're not at your desk
- Owners can submit a Service Request and even attach pictures
- Owners can check and even book amenities using their credit card\* (not yet available)
- Owners can register and reserve a parking spot before their guest arrives
- Property Managers will be within a fingers touch for anything security related\*

## What is the cost?

- The app is completely free and available for instant download via the Apple App Store for iOS, or Google Play for Android

## How do we get started?

- Scan the QR code below to download the app for your device
